“ *I officially met Mister Bill at Scottsboro Baptist Church, he was leading the song service. I had know him for years but not up close he knew I was a singer and approached me about doing a song with him. What a thrill and joy to sing with a man who had given his life to song. He loved the Lord and he loved people and you could feel the presence of the Lord whenever you met him. Kay and I have a special place in our heart for this man. Clay you were so Blessed and he loved singing with you more than anyone.* ”

“ What a sad day for those of us left here! My thoughts and prayers go up for Bill's entire family. My heart is with you all. I grew up with this family. My heart is very heavy since learning of his passing. He was an amazing, God loving man with a beautiful voice and heart. He came to us when my father passed away and came to me when my Momma passed away. There are no words adequate enough to express what a wonderful man he was while on this Earth. Most of my childhood was spent with him and the Fallin Family. I know he is singing with the angels in Heaven now. His sons have been blessed to have such wonderful Dad and Mom. Steve and Clay, please know that my heart is with you & yours. Much love, Cathy Flanders Daniel.

“ I grew up in the Hardwick Baptist Church and left as a young adult to pursue a vocation in Christian ministry as a pastor. On one of my return visits to the church, I met Bill who had been called to serve as Minister of Music. I vividly recall his tall, lean stature, and warm smile. He was a very competent musician. And the church was blessed to have him. If my memory is correct, he served with pastor Edward Douglas. To Bill's extended family, I offer my sincere condolences and prayers. He truly was an humble servant of God and richly blessed the numerous churches that he served.
Sincerely, Dr. Charles Wm. Brown, Maryville, TN 37803.

“ *My condolences to the family and friends of Bill Fallin. Bill has a special place in the hearts of my family members because he was a dear, longtime friend of my late father, Clarence Strickland. Pop loved to accompany Bill's beautiful singing on the organ or piano, and they often provided music at funerals and at churches and other venues. In the latter years of Pop's life, a visit from Bill always brightened his day and made his life worth living.*

Loved hearing them together. We have a couple-a dozen recordings of them, together. I hope you can be there, tomorrow. We will share one of those recordings toward the end.
