My husband, Bill Mills, and I met Bill and Beverly at the Baldwin Bowling Center many years ago. We all bowled together in the Senior league and enjoyed those times greatly. Bill was always happy and eager to talk or just listen. We bowled for many years with Bill and Beverly and I am very sad to hear that Bill has passed away. My Bill passed away in 2017, so I know what Beverly is feeling. They were a very close couple just as we were. If Beverly would like to contact me, I am still at 478-968-7341. I understand this is a difficult time, but I wanted Beverly to know my thoughts will be with her.

“ Bill was a great mentor to me and countless others during the years that I worked for him. He taught me the value of personal interaction and dedication as much as any person that I have known. I still remember Bill bringing me cheese balls around the holidays that "mother" had made him to share. My sincere condolences are offered to his entire family during this difficult time. I will always have fond memories of the time with Bill.

“ I met Mr. Bill and Mrs. Beverly several years ago when they remodeled their home through my workplace, Harbin Lumber Company, Inc.. They were a joy to work with and have returned several times over the years as they worked on projects around the house. I also enjoyed fellowship with them at Last Call Auction on Friday nights. I will certainly miss Mr. Bill's bright smile and friendship. R.I.P. kind sir. Praying for Mrs. Beverly and the rest of the family he leaves behind!
