“ Dad,
I love and miss you so much. I still can't believe that your gone. It has been really, really hard on me to get through each day knowing that I won't hear or see you anymore. You are and always will be a one of a kind and special man who taught me all about life. I'll never forget you and all of the memories that I have since the day you came into my world. You are in a much better place and not suffering anymore with all the pain. God knew that it was time and he needed you more than we did. Now your up there looking down on us, smiling and saying "I'm doing just fine guys, everything is going to be alright. Me & Dale are chatting it up about Nascar and the good old days".
Love you always & forever,
Your daughter Sherry.

*Dear papaw,
Thank you for so many great memories. You will always hold a special place in my heart. I'm so grateful to have known such a wonderful person and all the great memories from riding the boat together, to fishing on the dock. I remember having so much fun at your house all my summers as a kid running with Lydia and Chelsea in the sprinklers and us taking a trip to callaway gardens to see the Christmas lights. I will miss hearing the bluegrass music on in the garage but when I hear it I will think of you and the good times we've spent together. But life on earth is just temporary so I know I will see you again in heaven and we will be in joy and happiness when we meet again. I love you so much!
Love always,
Whitney-Jo*
