“ *Blaine and I met at a 5K run in Kansas City and became friends at church in Warrensburg MO. We were both going through tough times and we bonded over our shared love of running. She became a dear friend, confident and support person. We lost touch after I moved then reconnected via Facebook a few years back. My biggest regret is that I did not get to spend one on one time with her. She will always be part of a special time in my life. Rest in peace my beautiful friend*
