“ *Bob was such a great person. He was a caring and loving individual. He brought such life to our place. He loved his kids so and spoke about them often!! He was always so proud of every accomplishment they achieved!*
Kira was especially his pride and joy in a daily basis.
They walked daily and if it an especially beautiful day he take her to the field and play!

“ *I met Bob somewhere around 1982, shortly after he arrived in Valdosta. Back then, I was working with the campus police department and then with the Office of Residence Life at Valdosta State College. We became good friends and shared some of life's good, bad and great times together. Since hearing of his death the other day, I have relived many of those over and over in my mind. I knew the real story of how he came to South Georgia and I always got a kick out of his reply when someone would ask how he, the Happy Hawaiian, came to be living there. His standard response was "One day I was basking in the sun on Waikiki Beach and I thought to myself, I could be in living in Valdosta, Georgia and boom, here I am." That was typical of his sense of humor. He enjoyed making people laugh and having fun. We had some great adventures together during our time in Valdosta and we have been able to stay in touch off and on for the last thirty something years or so. He has been a good friend and he will be missed. Aloha and mahalo for all the memories and your friendship Bob.*

“ I have been Bobs neighbor for over 2 years. He was a kind man and we chatted often. Sometimes he would bring us chicken when he grilled and we would take him cupcakes when my brother baked. I keep looking out the front door to see if he and his dog Kera, are out there. We grew very attached to Kera and will miss her very much. Bob was always watching out for me and my brother and he is greatly missed. Our deepest sympathies to his family.
