“ I grew up across the street from Bull.... going to miss seeing him around. He was always fun to talk to and always asked how the family was doing. He had a genuine concern for people he knew. Rest easy, Bull.

“ I will miss seeing Bull at GMC and the old Happy Store. We would go back and forth about anything from BBQ plates to lottery tickets. One of his stories was about taking the dog to visit his mama's grave. Maybe the dog can visit his as well. RIP old friend. You will be missed but not forgotten.

“ Words seem inadequate to truly express my sadness and deep loss that I felt as this news slowly became a reality. Officer Lockaby was a treasured co-worker of many years. His loyal dedication to GMC will linger in our minds and hearts. The seemingly silent, yet loud, impact on our daily life will be felt for a long time.

“ *Wayne and Family- Officer Lockaby will be missed by our GMC Campus Police Department, there are no words to express what he meant to me as an Officer, a co-worker, and friend. I will miss him being at work an hour before he was to start shift, his chipper attitude, and his devotion to our Department. He was always willing to do whatever was ask of him, he filled in whenever needed, and always put GMC at the top of his list. He often came by on his days off to see if I needed him for anything, he was a rare employee with a big heart and great work ethic. We shared a love for animals, esp. our dogs, and had many conversations about the crazy things they got into and did. I will miss him greatly! He loved his family, and he was our GMC family and friend. I know your family will miss him and we will have a huge void within our Department with his passing.*
