“ I, first, met Terry, when my family moved into the house, next door to where he lived, in Stevens Pottery, GA, back in 1969. He was always friendly, to me and his demeanor was nothing more than a friend.

Unfortunately, I didn't learn of Terry's passing until last week, so I was unable to attend his funeral

His outlandish sense of humor will be missed, because I don't think anyone, out there, can replace it.

“ Hello, This is Bo Treadaway. I only knew Terry through Facebook. We have been friends for 10 years or more. I was his friend when Chase was diagnosed and we became real close then. I feel like Terry was my brother . We shared a lot of good times on Facebook. He and Susan could catch a bucket full of fish! I told him several times I wished we were not so far apart! Thankful for the memories I have of Terry and know one day I will see Terry in Heaven. My prayers are with the family ❤️❤️🙏

“ Never has been, Never will be another Bobby Terry Daniel. There was nothing, and I mean nothing that Terry would not give or do for a person in need. May God grant Comfort and Peace during this very difficult time to the family and many, many friends. Tell all hello and I'll see you later 'cuz.' Wayne, Crystal and Carly

“ Susan, Jason, Crystal ... and all the other 'pieces' of Terry's heart. He had a BIG ol' heart! I learned (through Crystal) of Terry's death and it grieves me. I loved his Mama, Betty, from the first moment I met her back in the Veterans Home where we worked together for several years. Loving her, knowing her, I became acquainted and loved her folks, too. Terry was her 'anchor' and he was a good 'young'un' to her. I can only imagine ... Terry with his folks that have gone before. Susan, I do love you and you know how to contact me. If I can do anything. I have, will continue to pray for you all to know comfort in Terry's struggle being ended.

“ My sweet Susan and family, my thoughts and prayers are with y'all at this time
You know how much Terry meant to me and all of our family. I am so thankful that I got to talk to Terry in the hospital. I will miss our phone conversations that we shared over the years. I love all of you and you know that I'm only a phone call away. You know that Heaven has just been made brighter and those Daniel's are catching up!

Jane, Terry was a student of mine when I taught at BHS but he was much more in the years thereafter. He became a friend and we would talk about life and catch-up on family and friends when I was in Milledgeville. We went through the time of loss in his life, caretaking and his ups and downs with cardiac issues. In all he lived, I never heard him complain. He lived and accepted life as it came to him and loved his family and friends. That is the mark of a Good man. My heart aches a little more now that I know our meetings will not be and I will miss his presence. May you all know that I feel this as a personal loss and send my prayers and condolences to all of you.
