“ I had the pleasure of meeting and working with Bobby. He was always listening to the radio. I would joke around with him but sometimes I know I got on his nerves. I always enjoyed being around him. My prayer go out to Sandra and the rest of his family and friends.

“ One of my favorite memories is when you were 5/6 yrs old and you always wore this brown cowboy vest; you would sleep in it, & wore it to school everyday. I also remember when you would get your favorite blanket and lay it in front of the big air vent in the hallway & fall asleep.
I am sad that you are gone, but at the same time I'm grateful you aren't suffering anymore. Give mama a hug for me. Love you little brother 💙💜☐
