“ Uncle Bobby You was always my friend, and #1 supporter!!!! You was most encouraging about life issues, and always loved a beautiful day!!!! I will always treasure the last 8 months of our lives spent together. Our trips to town lasted a good 4-5 hours, you had your list in hand and never skipped a beat!!! The only regret is you always had to go eat first...lol you had a method to your madness ole man...to fill me up so I would be to tired to go look at shoes... 🥰  
😄 I love you so much and miss you tremendously already, but I know you are now smiling down on all of us, sitting right beside Dad!!! Hug him tight for me. See y'all one sweet day.
