“ I met Bobby when he was looking for a new puppy after his beloved POLO had gone to the Rainbow Bridge. I learned very quickly that Bobby knew exactly what he wanted and wasn't one to settle for less. After much negotiation he receive a very nice puppy from me. We stayed in constant contacted and in spite of Bobby's Uncertainty Teboe was shown and one 2 points towards his Championship his second time in the Ring. The only complaint the handler had was that Teboe was always looking for Bobby. Father's Day Weekend I got a call from Terry on the status of the show that day. I'll never forget her saying, "We're going shopping!!". I was so excited because Bobby was going to show Teboe. The next day, they sent me a picture of Bobby in his blue blazer, khaki pants and pink bowtie. With no lessons and learning from watching ringside and me over the phone, he showed his dog Teboe for the first time, winning a Reserve Winners Dog. Bobby earned Teboes AKC Championship with FIVE 3 point Majors (A very big deal). Bobby went on to win Teboe's AKC Grand Championship. Bobby enjoyed showing his dog and visiting with the other exhibitors. He will be missed in the sport of dogs
