*Fly, fly little wing  
Fly beyond imagining  
The softest cloud, the whitest dove  
Upon the wind of heaven's love  
Past the planets and the stars  
Leave this lonely world of ours  
Escape the sorrow and the pain  
And fly again*

*Fly, fly precious one  
Your endless journey has begun  
Take your gentle happiness  
Far too beautiful for this  
Cross over to the other shore  
There is peace forevermore  
But hold this mem'ry bittersweet  
Until we meet*

*Fly, fly do not fear  
Don't waste a breath, don't shed a tear  
Your heart is pure, your soul is free  
Be on your way, don't wait for me  
Above the universe you'll climb  
On beyond the hands of time  
The moon will rise, the sun will set  
But I won't forget*

*Fly, fly little wing  
Fly where only angels sing  
Fly away, the time is right  
Go now, find the light*
