“ *Shelby and Family, We are so sorry to hear of your loss. May God be with you and comfort you during this hard time. The picture is just perfect; that is the great smile we all remember. When our family first moved here in the early 80's, we all came to know Bobby well. If anyone said, 'I'm goin' to the store', it was understood, because the Kwik Stop was THE store. And Bobby never changed over the years, he always smiled and ask about our family, and thanked us always. May your memories comfort you all, Kenny and Teri Walters*

Mr. Bobby will surely be missed by all. All the grocery stores that I worked in, he was one of my favorite customers. Always had a smile on that face. Usually after summer was over and what we had left over from summer items, I would call Bobby and he would buy just about all of it. He was a good man. My deepest thoughts and prayers go out to the family. May God be with you. RIP MR. BOBBY, you will be missed by all. I can see all of your old customers greetings you and telling you fish stories from the tack I e they bought from you.

“ *Mr scoggins was a wonderful man that I share some of my fondest child hood memories with!! He was a wonderful person who provided a great business to the Milledgeville area. My grandfather and I always stoped by his store to buy our bait and fishing supplies as well we would always get a picture taken if we had a good day on the water. I can remember coming in as a youngster and mr Bobby would give a lure or two to go try while we fished.He gave me my first job as a teen and more importantly gave me the opportunity to learn to value making my own money. There are two many memories to tell here but, I will cherish them all. Bless you Mr. Bobby for all you did, and thank so much. Prayers for family and loved ones.*
