“ Bobby did the electrical construction on my home and while he worked we visited. He was very nice, pleasant and funny! He was so smart and helpful and we looked forward to seeing him and talking with him about everything. I am so very sad for Ms. Sara and I know how much she must miss her brother. He was so young and he will be missed by everyone who had the wonderful opportunity to have spent time with him.

“ Bobby you have been the neighbor that everyone wishes that they had living near them.
You were one of my go to guys for help when I was in or out of town. To help me or my family. You were my true southern connection weather it was shooting the cannon off or neighborhood history that you knew so well.
You will be so missed
Love you much
George

“ This is a loss of a wonderfully warm and loving man. He will be sorely missed. I met Yogi many years ago and loved him instantly. When he hugged you there was no doubt you had been hugged. He gave the very best hugs. His smile and laugh I'll remember fondly and forever. His innate friendliness shone so brightly. We always had such good times. We love you and miss you Yogi! You made the best drinks I ever had. Your mind eraser was my favorite and no one has ever made me one that came close. Thank you for the laughs, the hugs, the smiles, and all the good memories. God put his hand on your shoulder way too soon my friend. Our sincere condolences and heartfelt love go out to his family. We will miss you terribly. A piece of my heart will be missing. Until we meet again my friend.....

“ *I was in college in Milledgeville from 1996-2000. I loved going downtown to see Bobby. He was a funny and gracious man. Usually when I came to see him he would make me paper roses, a couple of which I still have all these years later. Much love to his family as you go through this journey.*
