“ Michelle and Ron,  
Bradley and Lacey were such good friends. They were always there for each other. They spent so much time together, I've felt like Bradley was a surrogate son. He was always so sweet and such a good friend to everyone. We will all miss him very much, but we will always carry him in our hearts. You and your family are in our thoughts and prayers. Our number is still the same. If you need ANYTHING, please feel free to call. We love you guys.  
Hugs and kisses,

“ *To Brad's Family~*

*I am fortunate to have known Brad. He was a part of my GMC 100 (Preparing for Success) class this quarter, and he set a great example for the other students. He always volunteered when I needed a leader for an activity, and he helped his fellow students through a group presentation that would have bombed without him there. I am grateful to have been his teacher, and he has taught me so much....*

*He will not be forgotten.##imported-begin##Laurel Koehler##imported-end##*

“ *Dear Michelle,*

*I was saddened to hear today about the loss of your son. I heard about this from my mom, Jean, when I called her today. Although it's been a long time since I've see you I can still remember the times in our youth when we would have our family get-togethers at grandmas home for the holidays. It's about the only times I ever got to see all of my cousins.*

*It's in times like these that we must think about the good times in our past and realize that there will be better days in the future, especially with the love and support of our friends and family.*

*I pray that you and your family will be strong and always keep the loving memories of Bradley close to your heart.##imported-begin##Nicky Zuniga##imported-end##*

“ *Mr. and Mrs. Simpson,*

*I never had the the pleasure of knowing you and Bradley but I am a High School graduate of GMC so I know the kind of Leadership and Education he received there. Although I never knew Bradley I know that he was well thought of. I am sure that he would want you to keep your head held high and always remember him for the person he was. He will be waiting in Heaven for the day that you will all be reunited. My thoughts and prayers are with you. God Bless You.##imported-begin##Freddie Welch##imported-end##*

“ *I can't even tell how very sorry I am to hear about Brad's passing. He was my government student at Hiram High School and one of the kindest, most thoughtful young men I have ever had the pleasure to know. He worked so hard to raise money for the Close Up Trip to Washington, D. C. and was so happy and proud to share his recollections of the trip. He came to speak to my students about his time in Washington and just reveled in those memories.*

*He had so many friends here and we are all heartbroken about the loss.*

*Please know that our thoughts are with you all.##imported-begin##sherry solomon##imported-end##*

“ Dear Michelle and family, I could not beleieve it when I heard this tragic news. I am the mother of Greg Hiatt JROTC Hiram Exec Officer and we were just speaking of Brad Monday night after the help he gave on Saturday at the Hiram exhibition for state qualifying. He looked so great and proffessional out there. As hard as it may be , please keep your head up and smiling as much as you can because this is how Brad would want you to be. Greg is going to try so hard at the state meet next week because would have loved for Hiram to bring it all home! Please feel free to call and talk if needed . I am a good listner and would help out in any way I can for you and your family...Love, Lori Cole and Family###imported-begin###Lori Cole###imported-end###

“ Brad...I can't even begin to put into words how much of an impact you had on me as not only a cadet, but as a person. You've been around ever since I was a little freshman, you were one of the guys I looked up to. I remember you teaching me stuff, everything from pinwheels to your cheating signals in color guard. And I got older and moved on up, I became an awesome leader. But let me tell you something, and I mean this from the bottom of my heart, I would not be half of the person/leader that I am today without you and all of the guidance you gave me. I'll never forget the last day I seen you, you still giving me advice. "Greg you should get them practicing, "Just relax and take your time, hit all of those commands, sound off". I'll never forget all the memories we had over the years, high school **WOULD NOT** have been the same without you. Thank you for always being there, and thank you for being such a great leader/friend to me. You will never be forgotten. Rest in peace soldier. I will see you again one day..

“ Brad was a good friend of mine we firsy met in AJROTC at Hiram he taught me everything I know about colorguard and honorguard. He also taught me how to be a good friend. Brad was honestly the only friend of mine that I've never argued with he was always so easy to get along with. He was a true friend and even when I moved to Kennesaw we still kept in touch im really going to miss him.##imported-begin##Paul Miller##imported-end##

I am deeply sorry about Bradley. I loved him deeply in my own special way. He has a place deep in my heart as well as you guys. I am praying each day that somehow everything will be okay. I will do anything to help you guys out. B-rad was an awesome boyfriend but a miraculous friend at that. He always brought a smile to my face when I was down. I truly miss him and I'm just hurt to the core. I just don't feel the same without him. I wish that there was something I could do but there's nothing unfortunately but you guys know if you need me I'm here you got my number. “ Brad was an amazing young man! I was fortunate enough to have him as a student in one of my English classes this quarter at GMC. He was really more a teacher-student than just a student, for he helped to motivate his classmates and offered continual acts of service to them and to me, his teacher. He was one of those students that a teacher never forgets. He will be missed, but his influence on this campus will live on through the many lives he touched. My deepest sympathy to his family.##imported-begin##Judy Ann Parks##imported-end##

“ Mrs. Amon, Mr. Simpson and family,

*I can't begin to understand what you are going thru at this time. I just simply wanted you to know that I was thinking of you and will have you in my heart and prayers in the days, weeks and months ahead. I understand that Bradley had a very bright and promising future ahead of him. My sister taught him at GMC and she along with classmates were visibly shaken about the accident. She spoke very highly of Bradley and talked about what a sweet, loving and kind person he was. May God hold you in his arms and walk with you during this time.##imported-begin##Carolyn##imported-end##*
