“ Rest in peace, Adam. I know that you are in a much better place than here... You are missed dearly and you were loved here in this world more than you ever knew. I wish things in your life would have went differently but they didn't so now you are at peace instead of battling within everyday... My sister and the girls are safe and always will be with my family and yours. Your family and friends love you.

See you again someday... On the other side ;)##imported-begin##Elizabeth Harper##imported-end##

“ I will always carry the beautiful loving memories that you gave to me...we can not be robbed anymore of what should have been...you left me with beautiful grandchildren and a woman who dearly loved you...I will watch over them and protect them..I know you need me now more than you ever did..I hold their hearts in my hand and will caress them and defend them to the end...I love you Adam..you were my firstborn..a handsome little boy with hair of White and a glow about you that glistened...I will see you again, you have my blood in your veins, God knows all things, and in him I trust my very being, he knows just exactly what is happening and I give it to him, in his hands to take care of how we all feel. Blood is for eternity...forever and forever..no one can take that from us..I love you my Son,..Moma###imported-begin###Deborah Johnson###imported-end###

“ They say memories are golden,
Well, maybe that is true;
I never wanted memories,
I only wanted you.

*A million times I needed you,
A million times I cried;
If love alone could have saved you,
You never would have died.*

*In life I loved you dearly,
In death I love you still;
In my heart you hold a piece
No one could ever fill.*

*But now I know you want me
To mourn for you no more,
To remember the happy times
Life still has much in store.*

*Since you'll never be forgotten
I pledge to you today;
A hallowed place within my heart
Is where you'll always stay.*

*If tears could build a stairway
And heartache make a lane;
I'd walk the path to heaven
And bring you back again.*

I love you Adam Pridmore and always will!!

*My heart and prayers go out to you and your beloved family
members. May god bless you all! I pray that you all will be able to
find some comfort within yourselves and your memories!*

*R.I.P Adam we shall meet again!##imported-begin##Jennifer
