“ This is Mildred Daniel posting on Bruce's page...My heart is broken right now, but also rejoicing knowing that he is home with the Lord and will meet up with his Dad. Later we will be with him too. Bruce was a delightful person to know. he was helpful to more people than we will ever know. As a child growing up, he was always respectful of his parents and his elders. He was a responsible, caring, loving son, friend and employee. From learning to fly at age 16yrs old, attending college at GMC and Ga College, enlisting in the Georgia Army National Guard and making rank of Captain serving during Desert Storm, becoming a Registered Nurse and developing his own Real Estate Business, he has touched many lives and enriched his own by the people he has met. He knew that God had a plan for his life and I think he did well, but ended too soon. He would encourage all of us to keep God in the center of our life and a smile on our face to help make this a better place to live. I know I have rambled through this response to try to let you know of a Mother's love for her loving son. So many good time with a lot of laughter and helping each other. Thank you for all your prayers and kind loving comments, Bruce Daniel's Mom, Mildred

P.S. Bruce, I cherish every moment that we had together you, your Dad, Howard, Melinda, Ben, Marla and me. We will meet you on the other side.

I am so sadden to hear of Bruce's passing. We were friends going back to our time at East Laurens Elementary and I will always cherish the memory of the great fun we had as kids. He will be missed by so many. He is gone much, much to soon. Rest in peace, my friend. My prayers go out to all the family and friends.
