“ One of many memories was the time Bubba and Bo visited us in Athens to attend an UGA Gymnastics meet. Before the meet we went to the Bar-B-Que Hut for supper. On the menu was an all you can eat bbq plate. Bubba ordered that and was served first. Needless to say before everyone else was served Bubba had finished his plate and was asking for his second plate. I don't remember if it was the fourth or fifth plate when Bubba announced “that's all I can eat”.

It should be noted that the next time we went to the BBQ Hut, the all you can eat item had been removed from the menu.

“ Bubba played the drums with us, The 120/80 Vocal Band for several years and even though he had to have special gloves to hold the drumsticks and was partially blind and could hardly walk he loved performing and I am so glad we were able to share the stage with Bubba Shell, a true lover of music. Whenever we would talk over the last year he would always say he was just about ready and wanted to know did we have a place for him. There was, and will always be, a place for Bubba. Lila you are the very best and we love you to the moon and back. He was a light and it still shines in the hearts of all of us who were blessed to have him in our lives.

“ I met Bubba when we were both members of the Baldwin Band of the Braves. He was the life of the band. He made daily practice, afternoon practices, and every band trip memorable. I can still see him behind the band room cutting up and making every one laugh. He knew no strangers and everyone wanted to be his friend. A few years ago he and I spent a few hours catching up on old times and praying together for his health and future. I told him then that God had gifted him in this life with music and laughter. We were blessed to have been in his company and no one who knew him will ever forget him. Much love to his family. Keeping you in my prayers.

Many boring social studies lectures at Baldwin High School were jazzed up by the witty antics and jokes of the Bubba Shell and Charles Middlebrooks comedy team. I am not sure that Ms. Gaines ever recovered! What a wonderful family legacy Bubba has left behind - his wife, children, and grandchildren. Bubba lived well, loved well, and laughed often. My love and prayers go out to his family upon losing such a brave and valiant warrior. The sound of this laughter and his drums will forever echo in my memory.
