“ I had the distinct pleasure of serving with Cada on the Board of Directors of Maranatha Outreach where he served and worked diligently on many, many projects that lifted up this entire community. It was Cada and his Family that would pick me up as a child and haul me and as many folks as he and Margaret could get in the back of a Country square station wagon to church every Sunday. I would have to say that with this families influence I and Lord only knows how many was led to the Lord. Cada I will treasure your Friendship forever. He told me many times and I believe this to be true that "When it is all said and done nothing really matters except what you do for the Lord". Life is but a vapor on this earth but there is no doubt that Cada is back to his old self now praising his Lord and would not want to be doing anything else now and forever. May God bless every one of you.##imported-begin##John A. Simmons##imported-end##
