“ One of the most exciting events in my life was meeting Camille. She was my new-born niece. She made me, as a 10-year-old, feel proud and a bit older (older=better). Eighteen years later, another thing happened that I won't forget. Camille and I were at the Indiana State Fair. As we walked away from the target booth, where she had just shown me how good a good shot is, the operator asked whether my girlfriend and I would like to shoot another round. Again, I felt proud (that someone would think that I had such a cute, young girlfriend) and a bit younger (by now, younger=better).

*Sending all of you our love and prayers. LeRoy, Terry, Annmarie, and Peter*###imported-begin###LeRoy###imported-end##

“ I just received my letter today and very shocked and sadden to hear the news. I only knew Camille for a short period as she transitioned from Florida to Roswell. Camille and I connected instantly. She was such a caring, loving, bright and beautiful person. She loved her babies (Drayton and Freaky) and they loved her back. I will deeply miss having the opportunity to see her again here but look forward to seeing her in Heaven one day. My condolences and prayers to the family and thank you so much for notifying me. And, thank you Camille for your support, advice and the girl talks while you were here in Warner Robins Ga. I'm proud that I was in your loved one's addresses and lifelong VIP book. You will always be in mine also.###imported-begin###Karen Lynch###imported-end##

“ Cammille and I met in Miami just before she moved to the Atlanta area. We were phone friends for the majority of the time we knew each other. Through the telephone, Cammille shared her aliveness, her friendship, her sincerity, her laughter, and her authenticity. She was supposed to be here, in my home, in my guest room, right now, tonight. I will miss my friend. I am happy I was gifted with Cammille's friendship for this brief time. She made her mark on my spirit. She made me laugh even when I was not able to reach her. I will not forget the times when I called and got Cammille's voice mail but always thought Cammille was on the other end. That message got me every time. I would begin a conversation only to find out that it wasn't Cammille but just her voice. I would roar with laughter at my mistake, but it got me every time. Cammille, thanks for those laughs and thanks for your friendship. Rest in peace, my friend. You are already missed. I would like to extend my sincerest condolences to Cammille's parents, brother, and other family members. May this time pass peacefully for you all. Cammille had a huge spirit. I don't doubt for a minute that we will all feel her presence for a very long time.##imported-begin##Karen Dubowsky##imported-end##

*Camille was a happy, open and fun spirit who impacted the lives of many people here and she will be missed. I am grateful for the brief time that I knew her, she taught me more than I think she knew by just being who she was.*

“ Every time I saw Cammille she was always smiling and always seemed to be enjoying life. She gave the best hugs and was always the first to say hello to me, I TRIED to beat her to it, but she was just too quick for me. May she be the angel in heaven that she was here on earth. My sincere condolences go out to her family and friends, may peace be with you all.

“ I give many sympathizes and prayers to Cammille's family. Even though I had only known her for a short time compared to them I can say I called her a friend. She was always positive, friendly, compassionate, and there to lend a hand. Her sweet nature and lively attitude always made me smile despite any circumstance. I wish I could be more selfish because I am going to miss her a lot, but I know she is in a better place now. Thank you God for letting me have a piece of her in my own life.##imported-begin##Anastasia Russo##imported-end##
