“ *My thoughts and prayers are with you. Every time I saw Carey he was always smiling and laughing. If you weren't he was going to make sure you did too. I haven't seen him in a long time, but I still carry great memories. My heart breaks at hearing of his passing. He was the self appointed big brother I never had. His heart was just that big. I just recently found him again on Facebook and share a few notes with him. He was still the same as I remembered. He will be greatly missed. May God bless and carry the Roberts family in their time of need. Sending love your way.*

“Offering sincere condolences to the family. I am so very sorry for your loss. Our Heavenly father in His word the Bible calls death an enemy (1Cor. 15:26) which He promises in the very near future to do away with (Rev. 21:4,5) At that time tragedies and accidents will be a thing of the past and no one will ever get sick (Isaiah 33:24) There will be a bringing back to life instead of losing (John 5:28,29) Please allow these words to be of comfort to you and give you hope.
