“ Leigh Anne and Keith,

I'm sorry to her about your mom. I didn't find out until after the services. I know you guys will miss her. I lost daddy last Janurary. You will miss not being able to pick up the phone just to speak to her. But you will find comfort in the fact that like daddy, she isn't hurting anymore. There is nothing I can do to make you not miss her but if there is anything else please shoot me an e-mail. I hope all else is going well. I hope your dad is doing well also, give him my regards.

“ I met Carlin in 1973 when I worked at Piggly Wiggly. Work was always fun when Carlin was working. She always kept you laughing. She loved her children and was always proud when Leigh Ann and Keith would come in the store. I can just hear her now saying the name of the assistant manager.
