“ *Pops, You will be missed by many, many of your adopted band kids and parents. You always kept us hydrated during those hot band camp days, and you always made it a point to stop and chat if you saw us around town. You genuinely treated each of us like family. I pray for you and your family in this difficult time of loss and ask that God wrap his loving arms around each of you. What a treasure you have left with the memories of your caring, friendly, loving ways! You are greatly missed, but you are surely enjoying your heavenly reward.*
