“ I shared many experiences with Mr. Benson, while driving buses for both Baldwin County and CSH. He was not only one of my best friends, but had a work ethic that was unequalled. He always had time to correct any mechanical problem, I might have experienced, but also answer any questions I had. I had not seen him in many years, but I will never forget him. Franklin W. Akin

Thinking of you and sending prayers for you today. I remember Mr. Benson was my school bus driver when I was in the first grade. He would stop in our yard and walk to the house and carry me to the bus every morning and afternoon. He spoiled me so much back then. That was so many yrs ago, yet so close to my heart now.

Deborah, I'm sure Carmen has a very special place in heaven. He had a long, lovely life and you gave him the best years of his life; not only did you give him a child, but also a grandchild I'm so glad he got to meet. Love you. Call us if you need us.
