“ To Carol's children and their families and to David and Bryan I send my condolences. My cousin, Carol, always made me smile. She would make me feel welcomed regardless if it had been 10 days or 10 years since we last were together. I will miss her hilarious posts on Facebook as well as the ones that were reflective of her love for animals, her family and her friends. I will always hold good memories of this woman, my cousin, Beth , David and Bryan and my Aunt and Uncle.

“ I have many memories of growing up with Carol, her bothers, David and Bryan, and her sister Beth. From our visits to their home in Smyrna, GA to sharing ice cream and watching the train go by on the front steps of Grandma Bryan's, it was always fun spending time with our cousins. Even though the family has drifted apart through the years, we will miss Carol. Our thoughts and prayers will remain with her family. RIP Cuz!
