“ *Butch and family, it is with sadness that the Wooten family learns of your sister's passing. Many memories from visiting your house on Mallory St. all those years ago always bring smiles to our faces. I last saw Carol at your mother's visitation and she had me laughing as we went down memory lane.*

I don't return to Rocky Mount as much now that mother has joined dad and 'Uncle' Norman and 'Aunt' Pat but I will never forget the Harrell family. Take care my friend.

“ *Carol's family is in our prayers. She was a long time friend to us all at NCSU Purchasing.*

Carol like to tease me like when turning 30 my office chair was replaced with a wheel chair.

And there were other fun times.

Prayers and love
