“ I am so sorry for the loss. I love everyone of you! I keep sitting back thinking about all the times she got on to me and all the times she made me laugh. And she fed me and all the love that she showed me through out the years and my children. I pray that I always have the love and the understanding that she had for her girls for my babies. She loved all of you ! And Richard I pray that I will have the love that the both of you had for each other. God bless all of you ! And your always in my thoughts and prayers !
