“ I send my love to Carolyn’s family. We grew up together in the wonderful town of Devereux. She was a bit younger than me but she & her siblings were close friends to me & my sisters, Polly and Kay. I had prayed daily for her healing & was so saddened to hear of her death. I send my special love to her sister, Linda and pray that she will find peace in the coming days. I also send love & sympathy to her nieces, Lynn and Amy , daughters of her sister, Barbara Griffin Williamson. ❤️🙏❤️

“ Carolyn and I met in 1988 when we started working together. She and I became instant best friends. That friendship has lasted all of these years as we shared visits, emails, phone calls and texts so we could keep in touch. I visited her a couple of weeks ago in the hospital and it was like we had just been together yesterday. She called me last week and we were able to talk for about 10 minutes. I am so thankful to God for our visit and our phone call. She was the best of best friends and a wonderful woman. Her family has truly lost a treasure but we know she lives on and is whole again. Love and prayers to all of the family and her many friends.

“ Our deepest condolences to Kevin, Shannon and the rest of the family. We met Carolyn & Cecil 28 years ago when we moved across the street from them. Carolyn was one of the nicest, kindest and sweetest people I know with a sweet spirit. We became friends, visited each other at times, shared foods and recipes with each other. I will miss our weekly talks on the phone. May God’s healing continue to rest upon you as you journey forward.

“ My deepest sympathies to Carolyn’s family and friends. Her sweet family, The Griffins, opened their home to me many times when I was a little girl growing up in Devereux. She and I rode her bicycle up and down the road in front of their home many times during my stays. God bless Linda, as she continues her life without her family. RIP Carolyn💕🙏😊
