“ So very sorry to hear about the passing of my dear friend. I've known Carolyn for many years. We attended Baldwin County Hospital LPN School in the early '70's . We both went on to earn our Nursing Degrees from Georgia College and State University in the '80's . We talked on several occasions after we retired from Central State Hospital. She was so kind and will be truly missed. Deepest sympathy for her family during this most grievous time.
