“ I knew Carolyn for many years as a fellow nurse and employee of CSH. I always scheduled some clinical experience for nursing students down at Nursing Home Center because I wanted them to learn as much as possible about the clients that were served there and to witness what great nursing care was done in that area! Carolyn was always accommodating and excited to share her knowledge with the students! She was a great nurse and I'll always remember her tender loving care for those special clients! My thoughts and prayers go out to the family and friends! This is truly a loss for anyone who knew her!

“ Mrs. Carolyn was a wonderful nurse and a very special lady. I enjoyed working with her at CSH back in the day, and she taught me much about caring for the special people who lived in Nursing Home Center back when I was a young clinical pharmacist still wet behind the ears...and the biggest things I remember were her fairness to all: staff, patients, and families; and the obvious love she had for those she cared for daily.

She will live on in the memories of the many lives she touched, and my prayers are with all of you at this sad time. May God bless you all.
