“ There are so many wonderful memories through so many years. I only recently heard that Carol has gone to be with the Angels. She was a blessing to so many of us who had the joy of knowing her. I send my love and condolences to her family.

“ I just know I did not get to know you long enough on this earth and I am sad about that, but it was hard to see you suffer so. I truly believe you are no longer in pain and wrapped in the arms of Jesus and THAT makes me happy. Can't wait to see you again in the hereafter...(MOM)

“ Carroll loved art and was totally devoted to her family and friends. She moved to Colorado to be near Stacey, Rob and three granddaughters. High altitude did not deter her as she attended their swimming, volleyball, dance recitals and other school activities. She saw them grow from infants to young ladies imparting her wisdom and love which they will cherish. Her lifelong friends would visit her and enjoy the great Colorado outdoors. We enjoyed our time with her and getting to know this wonderful person who would do anything to help you.

Thank you for enriching our lives with your presence. We will miss you and you will remain in our hearts forever.

“ We all had our special friendships and memories of Carroll. I met Carroll 15 years ago when she welcomed me into the Wedgewood Chase neighborhood. How fortunate I was to have developed such a treasured friendship with her.

We had some wonderful times together! The one that jumps out first is our trip to Africa. That was on her bucket list and even though we had some bumps in the road, she was determined, and we had a fabulous time.

Carroll was a beautiful gentle soul, strong and brave and courageous! She endured more than her share of suffering with a smile! She put up a grand fight for so long.

She will be missed by all that knew her, but she will live on in my heart and be dearly missed by me. RIP my dear friend!

Her mom was a customer of mine at the bank on Hilton Head back in the early 1980's. So my mom, Carroll and her mom and I took many trips together over the years including a trip to Russia in February. Were we crazy, yes, but we sure had some great times. A very talented and wonderful friend that will be greatly missed.
