“ As I sit here thinking about Chad, like I do every day, every hour, every minute, I still can't believe that he is gone! It's been 27 days, and I feel the same as I did Aug.31st! I hope my buddy is at peace now, and lives in GOD's house. What a glorious place to be! I think about you guys, Tommy, Linda, Hayley, Jack and keep you in my heart and prayers! I loved Chad, and tried to help him. He always said that I was his best friend, and I know that he loved me also. I try to find comfort in that! Chad, I miss and love you!

“ Please accept my heartfelt condolences for your loss. May the loving support of family and friends comfort you during this difficult time. When we lose someone we love in death Gods promise to bring an end to all causes of sorrow including death gives us hope for the future. May this grand hope from God, who cares deeply for you, sustain you in the days ahead (Psalms 34:18, Isaiah 25:8).

Chad, it's almost a year since you have gone away! I think about you everyday that goes by! I miss you so much, and I find myself talking to you, some good and some mad. Mad, only because you left me without knowing anything about how you died, and why didn't some one contact your family or Me, or Jill!!! I never got to say goodbye to you, and tell you that things would be okay, and that I loved you, even though you knew that, and you loved me! I hope you are at Peace, my friend, and my pal!!!!
