“ *Chad,*

I love you! It was my great pleasure to raise you from the time I first met you when you were only two years old. I fell in love with you immediately, and you became my son and I became your mom-step mom. I raised you until you were grown. Chad, you gave me a blessed granddaughter(Cali) and I cherish every moment of time I spend with her. Even today when I see her, I still see you. I love you with all my heart and you will be well missed.
