“ Uncle Virgil you are precious to me! You occupy so many memories of my childhood. I can hear that boisterous laugh and some joke or prank, or hear you hoot and holler when your team was winning! Never did I see you that you didn't reach in your pocket and give me a quarter! How exciting that was. You will always hold a special place in my heart, I love you and know that you loved me too. Sol and Niss together again. What a celebration must be going on in heaven!
