“ I too worked with Charlie at the city of Harrisonburg. He was always smiling and uplifting and a true blessing to everyone around him, I can't recall ever hearing a cross word from him. Rest in peace dear friend, you were truly one of a kind.

“ May Gods blessing and comfort be with Charlie's family. Charlie was an outstanding colleague with me at the City of Harrisonburg, Public Works. Charlie was dedicated to his work but most of all he cared for and was a friend to all who worked with him. Thanks Charlie for your support and friendship.
