“ Dianne I know it seems like a bad dream but I pray that God will hold your heart. It's broken and you will think it will never mend, but it will, but there will always be little things in your heart that will slip out every now and again.

No one can take the good times and memories from you. Hold onto the good times and the love you two shared. Love you.

To the family of Charles we are so sorry for your loss. Charles was a good man, Growing up every Sunday we would make our round of visits to what i then called the country to visit all our Aunts, Uncles, cousins and Grandparents. As we all grew up we all drifted apart and did not see much of each other but we will always have then, You and your family are in our prayers We were cousins ' I am one of Mamie and Grady Parker's kids. “ *Dianne and Family,*

May God bring you all peace and comfort during this difficult time.

Charles was the best paint contractor ever. Although we had to wait a while because his schedule was always full, it was worth the wait. Always perfection!
