“ Chuck made school fun. He was always doing something hilarious to make us laugh the day away. He was a great athlete and a good friend. I enjoyed all of the fun times our class of 1976 had together. My deepest sympathy to his family and friends.

“ Chuck grew up down the street from my home on Parkway Drive. I can see him right now zooming by my house on his mini bike! He and I were chosen class favorites when we were at the original JHA yellow building ... 4th or 5th grade .. we were NOT happy about having our picture made together!! Lol.. it's nice to remember those days so long ago as Oscar stated in his comment. Deepest sympathy to all of his family!
