*Wanda, although we missed the blessing of meeting Charles in person, when he and I talked on the phone I felt as if we had been friends forever. His personality, warmth and wit instantly won me over. We may forget what people say and what they do, but we never forget how they make us feel. So many people cross our paths in a lifetime. Only a few touch our hearts and leave a lasting impression as Charles most assuredly left with us. Our love and prayers to you and John as you go through these difficult days. Bobby & Jean*
