“ My name is Daniel. I am Chucks son. Mostly I miss my grandparents who were such nice and great people to me. They always gave us bananas and told us they had a banana tree out back, there was a lot of out back there. I wish I knew more about my family. And I do not hold any resentment towards my father. May he rest in peace with God.

“ *RIP Chuck. Desiree has never forgotten you and neither have I. You was a good husband but we got along better by not being together. I'll always cherish the good memories we had as a family once*
