So sorry to hear of Charlie's passing. It was always a pleasure to see him when he came in Cingular Wireless for me to help him with his cell phone. He was always such a pleasure to work with and he never failed to mention you in our conversations.
He will surely be missed. Please know that you and your family are in our thoughts and prayers as you go through this sad time. May God wrap his loving arms around each of you and please find peace in sharing Charlie's memories with family and friends.

“ *Chuck, Sorry for your loss just doesn't seem like enough. There are no words to take away your pain. I know how much you loved your daddy. I enjoyed hearing stories about him especially the one about him and his friends giving money to others that needed it. May the Lord bless you and your family and keep you close to Him. Your daddy raised you well. Take care of your mom during this difficult time and always. I won't feel better until I can hug you. I pray you are able to celebrate his life today with family and friends. Love you, Staci Ravita*

“ Dear Massey family,
Please accept my deep regrets for your loss. You don't know me but I wanted to share what helped me when I lost my whole family to this enemy death that always brings pain and grief. I found hope and comfort in what Jehovah Gods word the Bible says at John11:11 and Mark5:39 that they're just asleep and Jesus states at John5:28,29 that I'll see them again and this helps me get through each day because I miss them so much. I truly hope this has helped in some way because this is my purpose in sharing this with you. Please know that I do share your grief and you're in my thoughts and prayers.
Sincerely, Gloria Mosley
