“ *Nibor, My thoughts are with. I so wish I could be there with you and family during this time. Chris's memory is strong and glowing bright. My fondest memories as a kid were hanging out with Chris, inhaling helium and looking at Garbage Pail Kid cards. Here toys and hilarious antics hold a special place in my memory as I know they do for everyones lives she touched. I know we can all learn a thing or two from Chris, how to have fun, laugh, nurture our inner child and not be so damn serious all the time. Robin, I love you. Your family, friends and I are being strong for you is this incredibly difficult time. Chris-Me, I love you always and will miss you greatly.*

“ Robin,

My prayers are with you and Chris's family and friends during this time. I pray God will take away the pain you all are feeling. Chris was one of a kind and left a ray of sunshine on the paths of the people she came in contact with. She was a kind, light hearted spirit never afraid to let the child within shine through. May peace and comfort find you.

“ Robin,
I am so sorry. Chris was a one of a kind, and I know you were very lucky to have her in your life. What wonderful memories you must have to help you through this, and the love of your family, too. I'm sure Glory was eagerly waiting for her--can't you just see that reunion?!
My thoughts and prayers are with you,

“ Robin,
There will never be another Chris. I have so many memories. I cherish the years we shared. I know that when Chris and I got together we irritated everyone around us. But we sure had FUN. Her sense of humor was unsurpassed. I'll always love her and miss her.

“ Robin,

Thanks for sharing Chris with the rest of us. She showed us a light hearted side of the world that we will always cherish. And a very different way to shop at Krogers! Wish I could blow some bubbles on the carpet just for you but won't be able to make it. Maybe I will have Peg do that for me.

“ *I will always remember Mrs. Greacen and her hilarious jokes. She always brought sunshine and joy to other patients and no matter what kind of day I was having, she made me laugh. One day she blew bubbles and they were on the wall for weeks. I told the cleaning crew to not clean the bubbles because it reminded me of her. Mrs Greacen will always be in my heart along with the solar flower that she left me. * _ **

“ Nibor, the Garska clan is with you spirit at this time. I never knew how to shop until Chris showed me how to "look outside the box", something she always did. It is a special gift she shared wherever she went which spread great joy and was bunches of fun. Life was an amazing adventure and we will miss her bubbly joy. We love you both...hugs coming your way. Peg
