“ *There are no words or enough time in my life to express how much you meant to me momma. To say you will be missed would be an understatement. I know you have peace now, and for that I will as well. I hope I can make you proud always. You were my world and always will be.*

*I have been friends with Christy for a very long time. I loved her like a sister. She will surely be missed. You girls and grandchildren will definitely be in thoughts and prayers. We sometimes are prone to ask God why on a lot of things, but we know God's plans are not ours to know. Love y'all and God bless*
