“ I was so saddened to see the announcement that Mrs. Smith had passed away. You were so very supportive during during her stay at Green Acres. It was evident that her family loved her so very much. Thank goodness, you were able to get her back home where she longed to be.

Sorry it had to be under the circumstances of having loved ones in the nursing home, but I will always treasure your kindness and encouragement and thank God that our paths crossed.

May God bless and strengthen you during these difficult days.

Love,
