“ *Mary Sue, one of my Ivey cousins sent me the news about the death of your son. I am truly sorry. I think I never realized the hurt my mother had with the death of Randall until my 2 sons were grown. And then I looked back and felt more sorrow for my parents than I had ever in my life. I'm glad I stopped by a few years ago to see you because you are not only family but what memories we have of our childhood together. I will keep you in my prayers .
