“ I am very sad about Mr. Vandiver's passing. He was very kind to me during my one year in Milledgeville. He befriended me immediately and never failed to have a smile and an encouraging word. We watched a lot of games together and talked about everything from religion to sports to politics. But we spent the most time talking about baseball and family. He was strong and inspiring and I will never forget him. I really loved him.

Sincerely,

Jud Damon
