“ Susan, I love that you chose memorial donations to charity in her honor/memory. I did that when my Dad died and it was like his life/spirit/energy continued on in many ways. Because of him there is a computer in the Barnesville-Lamar County library because of it. Flowers should be given to people while they are living so they can enjoy them.

My sincerest condolences to you and your family, my Dear.

“ Christmases and Thanksgivings were always so special because we shared "big" family meals together at those times. I have many special memories because Clara and I shared the same granddaughters, and those granddaughters' children were our mutual great grandchildren! She braved leaving her own country of Cuba under great duress and bravely carved out a loving home in this country. And now all her struggles and sufferings are past and she can rest and be happy and at peace in glory! My prayers for all the family members!

“ Clare was a grand lady and will be missed by many. I worked with her at McGaw when our line was down I always made my way to sit by her and talk to her about her life. The stories were very interesting and she told me how hard it was to come to our country. RIP Calre

“ Dear family, heaven just gained another soul. I know that you hurt and will miss her tremendously. I have great memories of her. Our Spanish Bible study, she upgraded her spiritual knowledge through our ministry. Now she's joined those that helped her on that journey. Lidia Delgado, Missionary Adita Fernandez, Delia Salom, my mother and father Cesar and Carolina Lara. Celebrate dear Clara with those gone before you, run through the streets of gold. My prayers are with Carlos, Cyndi, Susan, Gala and the grandchildren and friends. May God give you comfort and peace in this time of sorrow.
