“ Chuck and I met in our pre-teen years and instantly became best friends for life. Which led to lots of adventures boating, swimming, fishing, hunting, camping, paddling, and vacations together. One of the many things that I admired most about Chuck was that he marched to the beat of his own drum. He always had an eye for discovery whether it was a fish, a snake, a lizard, or a better way to tie a knot. I will cherish these memories forever. Terry, I'm praying for peace and comfort for you and all your family during this difficult time.
