“ Lost touch over the years....time will do that but we often wondered how you were doing. We will always remember the time you and Candice (with the baby in the side car) rode up to see us in Henderson with friends from Morehead City. And to think that has been over 25 yrs ago. We will miss you.##imported-begin##Art & Susie##imported-end##

“ I knew Clarence well in the early 70s we hung out together and did carpentry work together. He and I had great times together in N.C. But I moved away from the beach. He told me he had a cousin that went to Buena Park H.S. but i never met her. I knew Michelle and later Candi. My wife and I were at his trailer when a tornado went by. I remember the Rancho and the Harley sidecar. When I moved to Virginia to teach we lost touch. I have missed him over the years and didn't know how to find him again. That is, until this web page. But in an important way, I will never miss Clarence because I have a place for him in my heart that I treasure. He is there with his smile, his laughter, his amazing stories, and his friendship. Rest in peace my brother.##imported-begin##Jerry Tenney##imported-end##
