“ I want to send my deepest sympathy to all of you in this time of sorrow. I will never forget when Claudette met Willard and he brought her to Grandma's house. She was wearing a red dress and looked AWESOME! She was probably 19 or 20 years old. I was only 10 or so but have never forgotten how absolutely BEAUTIFUL she was! I have fond memories of her.

“ Ray, Curtrice, Evelyne,

I am saddened to learn of the loss of your mother. I only knew her a short while. She used to go hear my nephew, Johnny Jackson, sing on Saturdays at a convenience store near her home.

Through my nephew, Claudette and I began to correspond via e-mail. I loved her and never saw her. She was a courageous lady and loved her children. In the short time I knew her, I knew that.

I didn't even know she was still alive. Someone had told me she had passed away months ago. I wish I'd known she was still alive. I'd have visited and hugged her. She was a GUT lady. I know you will all miss her. But, I also know the pain of watching someone you love dearly suffer the pains of this dreaded "C" word.

May her Spirit soar and dance, freed from that diseased body.

May God apply His healing balm to your wounded hearts and may Claudette be alive forever in your hearts.

Please contact me if I can do anything.##imported-begin##Dianne Parker##imported-end##
