I'm sure when we get together with Crawford again he will have some tools I need and we can swap some stories again about old times.. Who would have thought our friendship would have lasted for 35+ years.He was a great guy.

“ *Bos,
What an inspiration and Christian testimony
Crawford and you have been! A special
memory is how gracious Crawford was with
his time and talents when he volunteered to
finish the sheetrock in the "Habitat for Humanity" house that was
built in Irwinton on Asbell Road. He was such a blessing as we
worked to finish the house! Praying for you during this difficult time!

“ *Kathy,
Know that Paul and I and our families are praying for you and the family. I know a memory that stands out is Crawford taking Josh under his wing and letting him work at the lawnmower shop with him when he was in high school. That really gave Josh an opportunity to use his hands and knowledge at a young and impressionable age in life. Crawford showed Josh what it was to run a business the right way based on Biblical principles. Now Crawford and Josh are in heaven together...Wow! We will see them one day, but until that time you and I have to continue the work that God has for us. It is not easy to move forward, but knowing fellow Christians are praying for you and God is with you always makes each day livable. Love you and Praying for you! Paul, Linda, Nick, Ashley, Selah, Brandon and Trina Bruner.*
