“ Sweet Haley and Don, as the time goes by we have those treasured memories of those we love. There was never a doubt about Cindy's love for you Haley. You always came into the LSB store on Mondays with something to eat that had been prepared over the weekend...then there was the time when you were in the DR for your Birthday....Cindy gave me a shopping list for you without thoughts of weight in shipment...I loved her laughter and the cherishing thoughts about You. My heart is to comfort you but also rejoice in the last few hours you were able to spend with her.

“ My favorite memories of Cindy are all about her cooking. She always made dishes that I had never eaten before, and they were always delicious. The best part was she gave me some to take home. I love you Cindy, and I miss you. Marilyn

Dear Haley, Don and family,
I am so, so sorry about your mom and wife. It's a hard place to walk through. The memories are fresh for my dad and I. My mom passed 6-21-2019. Not quite 5 months. So I really feel a lot of compassion for you both. I also know as you do that the Lord will carry you through this and be even more real to you as you invite Him into your grief. Feel Him wrap His arms around you. He loves you so much and I do too. I have had a terrible cold and am still hacking or I would try to make it tomorrow. I'll be praying for you tomorrow and as the Lord prompts me to.

Love always,
Lynn Harris

P.S. Your mom was only one year older than me.
